

## Who is on the FSP State Advisory Committee?

The Forest Stewardship Advisory Committee(FSAC) is open to the public. The Committee functions as an advisory committee to the Michigan State Forester.

The FSAC meets quarterly, unless there is insufficient business to be conducted. The Chair and the Vice-chair of the FSAC shall normally be non-agency persons selected by the Committee and approved by the State Forester. They shall serve at the discretion of the Committee and the State Forester. The Chair, or in the Chair's absence, the Vice-Chair shall conduct the regular Committee meetings, consult with the Executive Committee between meetings, and shall call special meetings of the entire Committee if such a meeting is deemed necessary by the Executive Committee.
